

CURRICUM VITAE

Benjamin Lam, D.O., F.A.C.O.S.

Dr. Lam received his medical degree from the University of Osteopathic Medicine and Health Sciences. Dr. Lam enrolled in an anesthesiology residency at Thomas Jefferson University Hospital and later completed a general surgery residency and plastic surgery fellowship at the Philadelphia College of Osteopathic Medicine. Double board certified in both General Surgery as well as Plastic and Reconstructive Surgery, Dr. Lam is a fellow in the American College of Osteopathic Surgeons as well as the American College of Surgeons. As a recognized speaker on a national level, Dr. Lam is also the program director of the plastic & reconstructive surgery fellowship at the Philadelphia College of Osteopathic Medicine. He has held the position of president in the American College of Osteopathic Surgeons – Plastic Surgery section. For nearly ten years, he has developed expertise in body contouring as well as numerous additional cosmetic surgery procedures. Dr. Lam is highly respected for his accomplishments in breast reconstruction after mastectomy, breast enlargements, reductions and lifts. His techniques have been adopted by surgeons around the country. Dr. Lam has also developed technological advances in the medical surgical industry that have been registered with the United States Patent office.
