November is Diabetes Awareness Month

Diabetes - 34.2 million people of all ages had diabetes in 2018 according to the CDC. People with diabetes have poor circulation to their extremities, especially to their feet. This leads to an inability of the body to heal from blisters, cuts, and scrapes. Hyperbaric Oxygen Therapy (HBOT) helps to heal wounds and salvage limbs. [Studies are available here](#)

NEVER IGNORE SUDDEN HEARING LOSS

Don't Ignore Hearing loss even if it is due to an infection

Majority of the hearing loss cases go undiagnosed - owing to negligence.
